Recruitment in HUDCO

3208. SHRIMATI KAMLA SINHA : SHRIMATI SARLA MAHESHWARI :

Will the Minister of URBAN DEVELOPMENT be pleased to state : whether it is a fact that HUDCO has banned the internal Qualified candidates from competing in the open recruitment at a particular point of time and if so, the reason therefor ?

THE MINISTER OF STATE IN THE MINISTRY OF URBAN DEVELOPMENT WITH ADDITIONAL CHARGE OF THE MINISTER OF STATE IN THE MINISTRY OF WATER RESOURCES (SHRI P. K. THUNGON) : During the years 1990-91 and first half of 1991-92, there was significant expansion and diversification in HUDCO's operations. Five of HUDCO's Development offices were upgraded to the level of Regional Offices. In order to achieve the corporate goals, HUDCO had to launch an active recruitment drive. The cruicial aspect of the recruitment during this period was to provide additional manpower to various wings and Regional offices of HUDCO which was possible only if additional manpower having requisite experience and qualifications was inducted from outside. The induction of professionals having relevant experience and background from outside the organisation was considered to be absolutely necessary in view of the growing and diversified activities in the areas in which HUDCO did not have much expertise. Further, considerable difficulty was being experienced in moving officers from the corporate office to Zonal/Regional/Development offices of HUDCO located throughout the country. With a view to overcome these difficulties HUDCO management circular No. 84 prohibiting internal candidates alongwith external candidates in open recruitment was issued on 14-6-1991. The circular was, however, withdrawn w.e.f. 31-12-91.
